

December Newsletter

Where has the month of November gone? It seems we have just celebrated Halloween and now we are preparing for Christmas. The holidays are an exciting time for students, but our main focus is on their learning.

We had a nice turnout for our Thanksgiving lunch. A thank you goes to Mr. Powers and the food service department for another delicious meal.

Thank you for attending Parent/Teacher Conferences. Maintaining an ongoing relationship with your child's teacher is an integral part of any child's education.

Have you checked out Powerschool? Powerschool is our new computer program that allows you to view your child's grades and attendance. Passwords and usernames were sent home in Friday Folders at the beginning of the school year. If you need assistance with the program, please contact Mrs. Olson or Nicole at the elementary office.

Christmas vacation will begin December 21st and school will resume on January 4th.

Finally, a reminder about picking up your child after school; we ask that you please wait for them in the cafeteria. With 300 students trying to exit at the end of the day it makes it very difficult if we have parents and students stopping in the hall. Thanks for your cooperation.

Christmas Program

Mr. Cook and the students have been hard at work preparing for the Christmas Program that will be performed on December 7th at 6:30. The program will last approximately one hour and each grade will be performing along with the 6th grade band.

We ask that audience members please stay seated through the whole performance to cut down on disruptions during the program. It will be a wonderful evening and we hope to see everyone in attendance.
