Dear Parents,

My name is Scott Van Pamel, and I am the Hillman School Food Director. I am looking forward to the new school year and preparing some great nutritional meals for your students. If you have anything you would like to see added to the menus, please feel free to contact me at (989)742-3313. I am open to all suggestions as long as they meet the state requirements. As much as I would like to prepare everything kids and young adults like, there are strict rules in which I must follow. However, I am willing to do the research to see what new things I can bring to the table.

With that being said, I cannot stress enough the importance of everyone **filling out the Free and Reduced Lunch App even if you know for sure you will not qualify.** Our school gets its money for the food program based on numbers turned into the state from these applications and provides your child's meal regardless of whether your child is free, reduced, or full pay. You can go to Family Portal to fill this application out and it will be sent to me and only me. If you run into trouble filling this app out, you can always give me a call and I will be happy to help you through it. Again, it is so important to fill this application out so we can all play a part in making our children's lunch and breakfast the best it can be.

Please do not hesitate to call me at (989)742-3313 with any questions you may have, and I will do my very best to get them answered!

Sincerely,
Scott VanPamel
