

Hillman Community Schools Committee Work 2025-2026

Groups will meet during ITC Days as a District and monthly (at a minimum) as a building group when the District Team does not meet.

Each committee should keep a Google Folder with notes of meetings and shared with Admin. This information will be uploaded at the end of each School Year on our website.

Anyone parent/community member interested in joining the committee work can reach out to the building Principal or Dr. Rader raderpa@hillmanschools.com for more information. Dates for ITC days are located on our school calendar.

Community Outreach:

HCS Community Outreach and Engagement Committee works to better coordinate and support community partnerships, outreach, and engagement initiatives. This team works to collaborate and share information in a variety of formats with the support of the School Nurse and Social Worker.

Grading/Assessment/Policy:

HCS Grading/Assessment/Policy is responsible for the systematic basis for making inferences about the learning and development of students and to evaluate individual students' learning and performance. Also responsible for the quality of teaching and learning creating conditions for everyday work to which the school achieves its goals. This team reviews policy annually with the support of the School Nurse and Social Worker.

Safety/Threat Assessment:

HCS Safety Team is responsible for reviewing and maintaining school safety. This includes drill procedures, building safety issues, and crisis planning/support. This group will also be part of the threat assessment team. This team collaborates annually with the School Nurse. Social Worker and SRO.

PBIS/Testing:

Our PBS Team is responsible for monitoring and maintaining our PBIS System. This committee will also work to schedule testing and organizing students and staff during these important times.
