AMA ESD Offering Informational Session on No-Cost Teacher Pathways

The Alpena-Montmorency-Alcona Educational Service District (AMA ESD) is hosting a virtual informational session about two no-cost options for anyone interested in becoming a classroom teacher.

Justin Gluesing, AMA ESD Superintendent, will host the informational session through Zoom on November 7 beginning at 5:00 p.m.

“These no-cost opportunities are a great option for anyone interested in becoming a classroom teacher,” Gluesing said. “For anyone who is thinking about switching careers or changing their career pathway, I encourage them to attend this session.”

The presentation will last less than one hour and will include plenty of time for questions. Anyone wishing to join the meeting can contact the AMA ESD at 989-354-3101 or visit the AMA ESD website (www.amaesd.org) for more information.
