# **Hillman Heartbeat Wellness Clinic**

A School-based Behavioral and Physical  
Health Services Program at Hillman  
Community Schools

**By creating a supportive environment that fosters healthy habits and addresses the well-being of educators and students, school wellness programs contribute to improved academic performance, enhanced mental health, and overall success within the educational setting.**

**HHWC staff cannot provide family planning services, medications, or devices nor provide guidance or referrals for abortion services in accordance with Michigan State Laws.**

## **WE'RE HERE TO SUPPORT STUDENTS AND THEIR FAMILIES**

The School Wellness Program (SWP) was launched in 2010 to provide services to promote academic success by helping students achieve their best possible physical and mental health status. SWP staff assists schools, parents, and other health professionals in the assessment, identification, planning, implementation, and evaluation of the health needs of the school community to appropriately direct services toward a healthy school environment.
