Dear Parent or Guardian:

9th December 2024

As part of our ongoing efforts to best meet the needs of our students, we have begun implementing the CATCH My Breath Youth e-cigarette prevention program in our schools. CATCH My breath is a best practices-based program designed to prevent the use of e-cigarettes in grades 5-12. For more information on this program, please visit www.catchmybreath.org. To learn how well this program is working, we will be asking your child to complete a survey that asks about his or her knowledge and perceptions of e-cigarettes. This survey is voluntary, and your child's name will not be recorded with his or her answers. We will repeat the survey at the end of the four lesson curriculum.

Please feel free to contact us at the main office if you have any questions or concerns. If you do not want your child to participate in the survey please visit the school website for the opt out form and return it to the main office.

Thank you,
