

Hillman Community Schools partners with [Graduation Alliance](#) to provide students in grades 6-12, who have been approved by the district to participate, with an alternative pathway to graduation. This partnership underscores Hillman Community School's commitment to serving students by providing various options for school completion that meet learners where they are.

The Graduation Alliance program offers time-and-place flexibility and wraparound human support to help students with any academic or life challenges preventing them from succeeding in other district offerings. Students benefit from...

- 100% online courses that can be completed anytime and anywhere
- State-certified teachers who provide personalized feedback on assignments and offer one-on-one support
- An Academic Coach who helps students build a learning plan reflective of their outstanding graduation requirements and personal interests
- A Local Advocate who supports students as they navigate academic and life challenges preventing them from being their best
- Virtual tutors who are available 24/7 to help with homework
- An IT helpdesk team to offer support for the program-provided Chromebook and wifi hotspot

Students must be enrolled in Hillman Community Schools and approved by the administration to participate in this program. For more information or to see if your child qualifies, please reach out to Kayla Nichols at 989-742-4538.
